To the extent that statements in this press release relate to future plans, objectives, financial results or performance of IBERIABANK Corporation, these statements are deemed to be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements, which are based on management's current information, estimates and assumptions and the current economic environment, are generally identified by the use of the words "plan", "believe", "expect", "intend", "anticipate", "estimate", "project" or similar expressions. IBERIABANK Corporation's actual strategies and results in future periods may differ materially from those currently expected due to various risks and uncertainties.

Actual results could differ materially because of factors such as our ability to execute our growth strategy, risks relating to the integration of acquired companies that have previously been operated separately, credit risk of our customers, sufficiency of our allowance for loan losses, changes in interest rates, reliance on the services of executive management, competition for loans, deposits and investment dollars; changes in government regulations and legislation, geographic concentration of our markets, rapid changes in the financial services industry, and hurricanes and other adverse weather events. Other factors that may cause actual results to differ materially from these forward-looking statements are discussed in the Company's Annual Report on Form 10-K and other filings with the Securities and Exchange Commission, available at the SEC's website, <http://www.sec.gov/>, and the Company's website, <http://www.iberiabank.com/>. All information in this release is as of June 29, 2007. The Company undertakes no duty to update any forward-looking statement to conform the statement to actual results or changes in the Company's expectations.
